The report of the Board of Missions was adopted.

On motion of N. R. Richardson, the Secretary was authorized to edit and publish the Minutes of this session according to the plan of last year.

It was moved by Frank Siler, and carried, that the preachers on Thanksgiving Day, or as soon as convenient thereafter, take collections for the Oxford Orphan Asylum.

The Bishop announced the transfer from the North Carolina Conference of J. T. Bagwell, and he was referred to the Committee on Conference Relations for the superannuated relation. The Committee reported favorably in his case, and he was placed on the superannuated list, giving full answer to Minute Question 18.

A collection amounting to \$25.50 was taken for T. H. Edwards.

The Bishop announced the Joint Board of Finance (see Conference Officers).

The Secretary read the Minutes, and they were approved.

The 46th Question, Where are the preachers stationed this year? was called.

The Bishop read the appointments (see Appointments).

The doxology was sung.

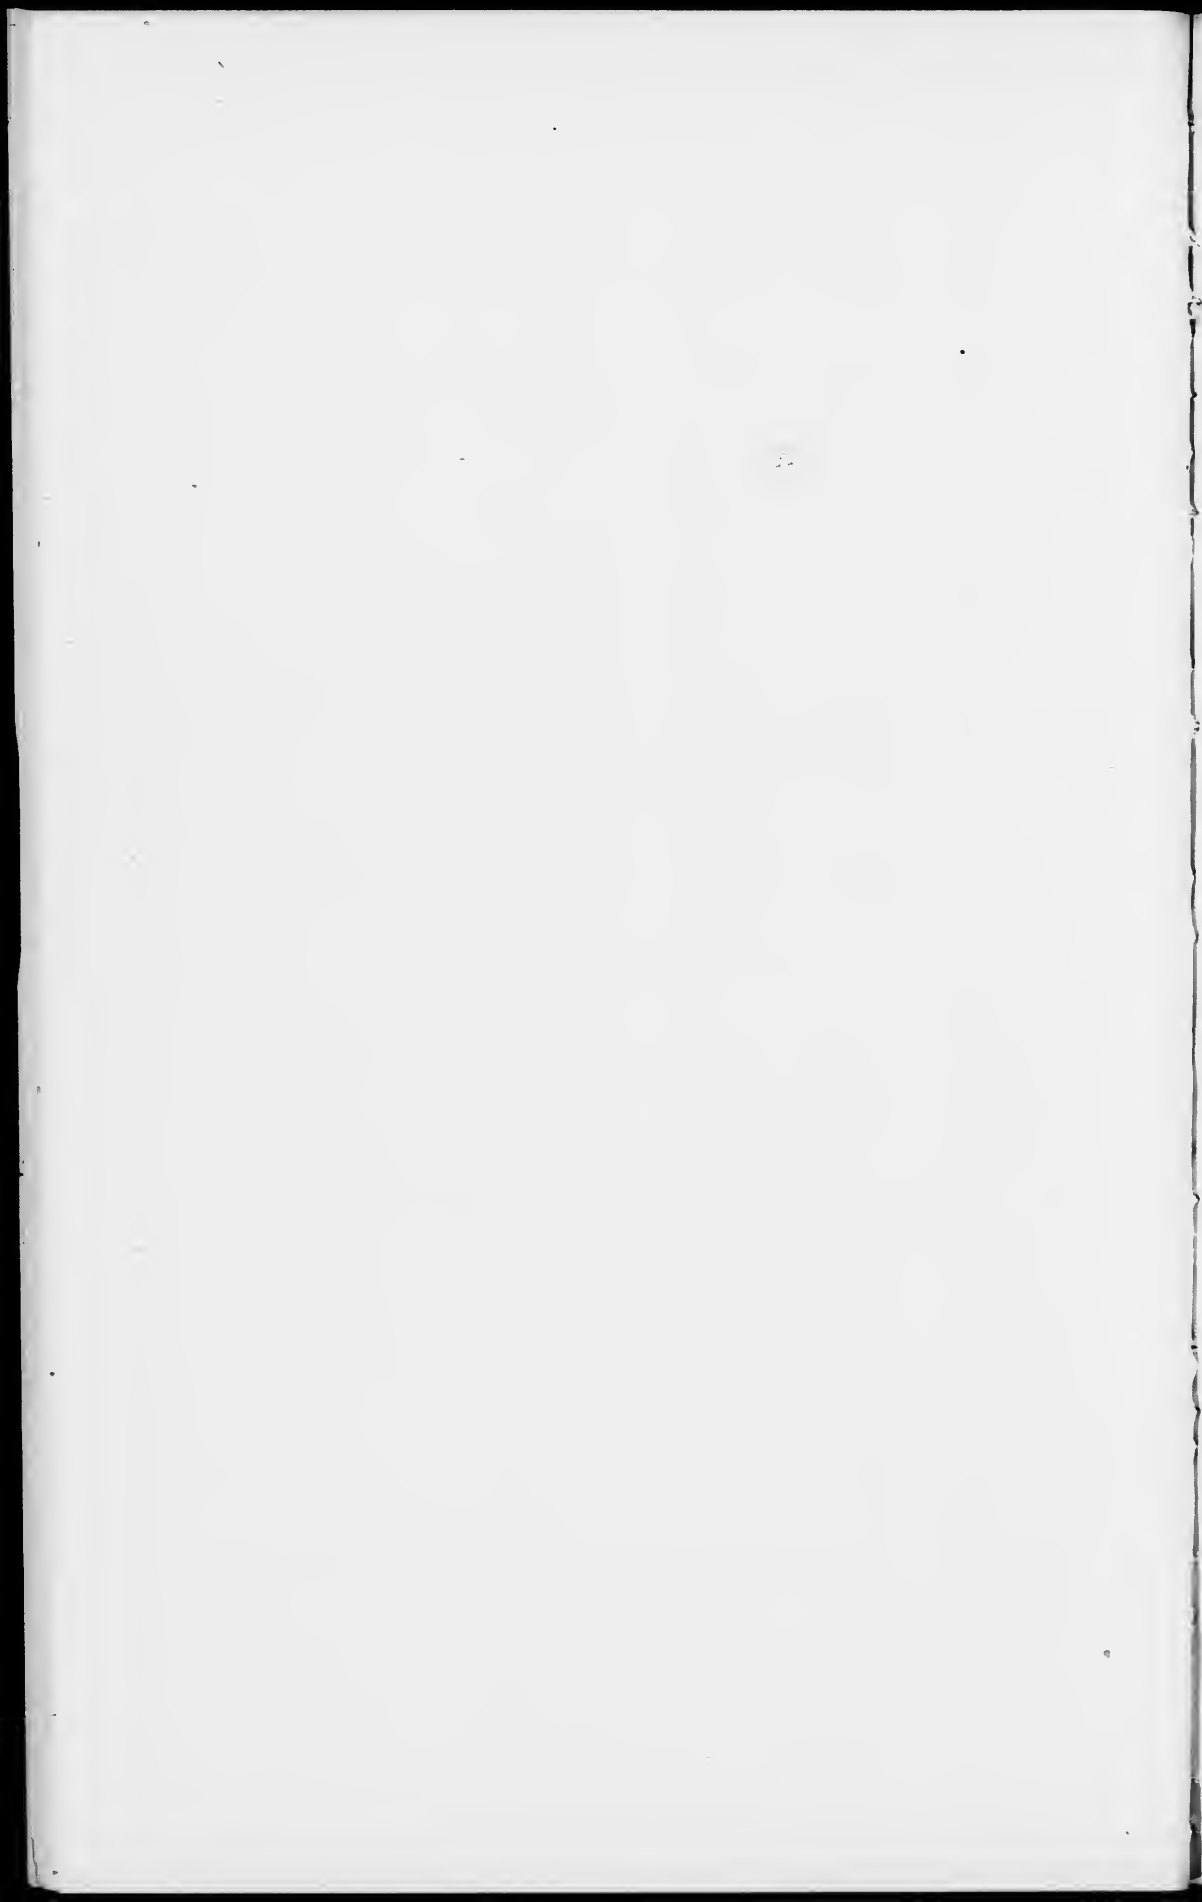

The Bishop pronounced the benediction, and the Conference adjourned *sine die* at 9 o'clock.

V.

MEMOIR.

REV. R. S. WEBB.

Richard Stanford Webb was admitted on trial into the North Carolina Conference at its session held in Beaufort, December 14, 1859.

He was received into full connection and ordained deacon at Louisburg, December 8, 1861, by Bishop Andrew; ordained elder at Greensboro, December 3, 1863, by Bishop Pierce; and, after nearly forty-three consecutive years in the itineracy, died at the parsonage near Greensboro, on November 20, 1901. He never missed a roll-call for 42 years; and on the very day the Conference met, he answered to the roll-call "up yonder."

Truly, a noble man and a true servant of God has been taken from the church militant to the church triumphant.

During his long and successful pastorate he served the following charges: 1860, South Iredell; 1861-2, South Guilford; 1863, Pittsboro; 1864-5, Chaplain in the Confederate Army; 1866-7-8, Durham; 1869-70-71, Topsail; 1872-3-4-5, Alamance; 1876-7-8-9, Tar River; 1880-1-2, Ridgeway; 1883-4, Warrenton; 1885-6-7-8, Wadesboro Circuit; 1889-90-91, Rock Spring; 1892-3-4-5, Statesville Circuit; 1896-7-8-9, Randolph; 1900-01, Greensboro Circuit.

This was his last charge. About six weeks before Conference he was stricken down, and after great suffering, which he bore heroically, he fell on sleep in Jesus.

In the death of Bro. Webb the State has lost a noble citizen, the Church a true member, and the Conference one of its most useful and consecrated ministers.

As a man he was noble, true, brave; pure, guileless, courageous; he was truly a man of God, deeply pious, wholly consecrated. All that he had was on the altar of God.

He was a man of strong convictions, and he had the courage to express and defend his convictions; if he erred, it was of the head, and not of the heart. He was thoroughly honest in all he said and did.

As a preacher he was earnest, doctrinal, evangelical; sound, safe, spiritual. Hundreds were converted and brought into the church through his instrumentality.

As a pastor he was tender, wise and sympathetic; it was his constant desire and endeavor, by precept and example to lead his flock to larger and better and holier living.

As a worker he was diligent, untiring, successful; few men did more than he in revivals, and in building church houses and parsonages. And he worked uncomplainingly, courageously, hopefully; he attended energetically and wisely to all the duties imposed on him by his church, and we verily believe that he is recorded in the Book above, as a good and faithful servant, and having been in fellowship with Christ in life and service, on earth, he is now in fellowship with his Lord in joy.

When the time for his departure came, he was ready. He had fought the good fight, run the race, kept the faith, finished his course, and was ready to be offered.

He lived and wrought well; he died well. As he came down to death's door, he said that he was not afraid to die.

Two days before he died, he personally asked his Presiding Elder to have his name referred to the Committee on Conference Relations, for the superannuated relation; but before we came to his name, God had translated him, and given him an appointment up yonder in the ranks of the eternally redeemed.

A noble man is taken from us, but our loss is his eternal gain.

The Committee on Memoirs would lay this imperfect sketch upon his new-made grave and pray God's blessings upon the bereaved family.

(Signed) THE COMMITTEE.

APPENDIX.

BOARD OF EDUCATION.

Methodism was born in a university. Her native air is a deep spiritual experience and cultural activity. Her honored founder was himself a college man. Culture and religion constitute the twin forces that are to elevate fallen humanity to its true worth and dignity and give the Church power to mould the civilization of the ages. The decades of our day are more potent in the propagation of religious and scientific truth than were the centuries of our fathers, venerate them as we may and hallow them as we should. With uncovered head and with hearts filled with gratitude to the God of our salvation, your Board humbly, but confidently, points to the proud position which Southern Methodism holds in the march of the 20th century civilization; and through you, to the great Methodist public throughout our Conference, we announce with gratitude that, in our opinion, for all the varied phases of culture, extending from the kindergarten counting blocks to the university delving into the most abstruse of the sciences, Southern Methodist institutions hold a high place among the institutions of the country, and afford ample and adequate opportunities for the education and culture of our youth.

VANDERBILT UNIVERSITY.

At the head of our educational system stands the great Vanderbilt University, not hoary with age, nor content with past achievements, but exuberant in the rich currents of stalwart strength. We commend this great institution to the prayers and earnest support of our people.

TRINITY COLLEGE.

This institution continues to develop and broaden in all directions. In addition to the many large donations made to this College during the past several years, the Board is pleased to announce the following gifts made to it within the past year, and not previously reported through this medium:

Mrs. Mary W. Stagg presents the College with a pavilion, the cost of which can not now be stated.

Mr. James B. Duke gives ten thousand dollars for the purchase of books.

Messrs. B. N. and J. B. Duke give 6 8-10 acres of land, valued at \$6,820.00.

Mr. Washington Duke gives \$25,000.00 for a heating plant.

Mr. B. N. Duke, \$25,000.00 for a new dormitory building.

Col. and Mrs. G. W. Flowers, \$1,000.00 for the establishment of the Arthur Ellis Flowers scholarship.

The North Carolina Conference, \$1,427.80 for the Students' Loan Fund.

The Western North Carolina Conference, \$220.46 for the Students' Loan Fund.

Gifts to Physical Laboratory, \$300.00.

Permanent improvements on the park, by B. N. Duke, \$648.70.

One thousand volumes from various friends have been donated to the Library.

Besides these, have been large numbers of gifts, varying in kind and in value, made by friends to the College and to the High School.

These gifts, added to those previously made, make the College holdings worth \$725,000.00. The intellectual equipment of the College keeps pace with the material. The faculty consists of 23 members, and the institutions represented in the faculty, and that of the Trinity Park High School are Trinity, Wofford, United States Naval Academy, Wesleyan, Harvard, Yale, Johns Hopkins, Pennsylvania, Vanderbilt, Kansas, Cornell, Tulane, Columbia, Union Theological Seminary, and Leipzig.

The College now owns twenty buildings, and the new Library building, now in course of construction, will make twenty-one.

The total number of books in the Library by actual count are 15,000 bound volumes and 3,000 pamphlets. The new Library building, when completed, will put Trinity well in the lead of Southern institutions in library facilities.

President, faculty and students are working harmoniously together, and a spirit of hope and buoyancy pervades the entire atmosphere of the College.

We are grateful to the benefactors of this institution, and to its faithful, vigilant and effective faculty. There is no place equal to Trinity for the sons of Methodists in North Carolina.

We recommend for confirmation as Trustees the following: G. W. Flowers, R. H. Parker, M. A. Smith, W. J. Montgomery, W. C. Willson and Robt. L. Durham.

GREENSBORO FEMALE COLLEGE.

The present session opened with all its departments represented and thoroughly organized. The attendance is highly satisfactory. Representatives from five States are on the roll. High-grade work is done in all the branches taught and the equipment is being improved and enlarged every year.

Extensive improvements were made during the past summer. The faculty watch with jealous care every detail that will tell for accurate scholarship, and at the same time they insist that all environments shall be positively Christian. The liberal patronage given by ministers of both Conferences is a source of gratification.

Greensboro is especially deserving of the patronage of the Western North Carolina Conference, and we commend it to our people as such.

OUR SECONDARY INSTITUTIONS.

RUTHERFORD COLLEGE.

Rutherford is being carried on according to the resolution of Conference, "mainly as a school for boys." Last year there were enrolled 104 students from twenty-two counties in the State. This term there have already been enrolled 117 from a much wider range of territory. Steps are being taken toward the immediate improvement of the property, and to an increase in the faculty. The purpose of the school is to do first-class secondary work, and the management feels that the work done is of the highest order.

In the faculty are represented Trinity College, Johns Hopkins University, Peabody Normal (of Nashville), Stratton's Business College,

University of North Carolina, and Vanderbilt University. We recommend the appointment of C. C. Weaver as President, and J. T. Erwin as Professor, and H. M. Blair and Philip Hanes as Trustees; and we further recommend that W. G. Maloney be appointed Financial Agent for Rutherford and Weaverville Colleges, jointly, his salary to be provided for by these institutions.

DAVENPORT FEMALE COLLEGE.

This school is the property of the Western North Carolina Conference, and it is with pleasure that we note its prosperity. The faculty is excellent, the building is being improved and made very comfortable and attractive, and the attendance is larger than it has been for a decade.

The Trustees were fortunate in securing the services of Rev. R. C. Craven as President, and we feel justified in advising our people to give their patronage to this school and make it an honor and a blessing to that part of the State.

We recommend that R. C. Craven be appointed President of this institution.

WEAVERVILLE COLLEGE.

This institution, the property of the Western North Carolina Conference, successful for many years in the past, continues to do a much-needed work in our educational system. The time has come when, in the opinion of your Board, something material must be done for this school, or Methodism will be seriously crippled in that fair section of the State. Substantial aid is imperative, and we recommend that the Conference request a collection be taken in every charge, during the month of April, and that the proceeds be sent to Dr. J. A. Reagan for the liquidation of outstanding claims.

They have a full, well-qualified and working faculty. We recommend the confirmation of John A. Nichols, Frank Carter, J. D. Barnard, W. B. Fincher, Samuel L. Rodgers and E. Charles Chambers as Trustees.

BREVARD INDUSTRIAL SCHOOL.

During the year 1900-01 there were ten girls in the home and 106 pupils in the class-rooms. This year there are ten girls in the home and 64 already enrolled in the class-rooms. The work done in the home includes all the industrial branches usual in such schools. In addition to Brother Taylor and his wife, who have charge of the school, there are three young ladies in the faculty—all specialists and graduates of the more prominent schools. The work has greatly outgrown its accommodations. To meet this growing demand, the Trustees have begun the erection of a building that will accommodate 75 or 100 girls. The cost will be over \$8,000.00. More than \$6,000.00 of this has been subscribed, and about \$3,000.00 paid. The building is well on the way, and it is confidently believed will be ready for use at the opening of the next term.

Your Board believes this school worthy of the fostering care of our Church and people, and we therefore recommend that the Conference request our preachers on stations to take up a collection on the first Sunday in January for this school and send the proceeds to Brother Taylor as a "New Year's gift" to the current expenses of the school; the preachers on the circuits to take up a like collection during the month of January and dispose of the proceeds in like

manner. We recommend for confirmation as Trustees the following: D. Atkins, F. L. Townsend, J. A. Nichols, E. L. Bain, T. F. Marr, J. H. Weaver, S. H. Hilliard, D. H. Anderson, A. Cannon, Z. W. Nichols, J. W. McMinn, W. H. Allison, D. B. Coltrane, G. L. Hackney, James Buttrick and H. L. Atkins.

TRINITY HIGH SCHOOL.

This school is now under the management of A. A. Crater, who is well prepared to teach, and the school is in a prosperous condition.

TRINITY PARK HIGH SCHOOL.

This school is situated in Trinity Park, near the campus of Trinity College, Durham. It is of secondary grade and has a course of study especially adapted to that of the College. It has an able faculty, a fine equipment and an increasing attendance.

LOCAL SCHOOLS.

We have reports from Iotla High School, Belwood Institute, and Sparta Institute. From the vague and indefinite character of many of these reports, your Board knows not what suggestion to offer. We therefore recommend that L. W. Crawford, M. A. Smith, F. M. Weaver, E. L. Bain and D. Matt. Thompson be appointed a committee, whose duty it shall be to ascertain all the facts relative to these local schools, and report the same with any recommendations they may deem advisable to the next session of the Conference.

We further recommend that hereafter, when the property of local or other schools shall be tendered to the Conference, said tender shall be accompanied by a title deed in *fee-simple* to the Methodist Episcopal Church, South, for the entire property, including grounds, buildings, etc.

EDUCATIONAL ASSESSMENT.

We recommend an educational assessment (carefully *pro rated* to all our charges) of five thousand dollars, \$300.00 of which shall be forwarded to Dr. J. D. Hammond, Secretary of the General Board of Education, and 80 per cent of the remainder is to be equally divided among our secondary schools, viz.: Weaverville College, Rutherford College, Davenport Female College, and Brevard Industrial School, and the remaining 20 per cent to go to the Students' Loan Fund of Trinity College.

We urge our preachers to use every possible effort to raise in full this assessment on their respective charges.

We recommend that all our schools—collegiate, secondary and local—be required annually to render to the Conference a financial report, accurately stating the value of buildings, grounds and all material equipments, together with a statement of the assets and liabilities, receipts and disbursements for the current year.

THE TWENTIETH CENTURY OFFERING.

We recommend that all our preachers press with renewed zeal this important matter, never holding up until the heart and conscience of every member and adherent of the Methodist Church has been reached.

We also urge the prosecution of the work under the plans in operation for the past two years.

We urge the Presiding Elders and preachers, as soon as they return to their respective charges, to look up and ascertain the exact status of the movement in their fields of operations, find the roll-book, or if it may not be found, get a new one, record all subscriptions and payments made, send an accurate statement of the work in their fields to W. R. Odell, Treasurer, Concord, N. C.

This statement to Brother Odell is of the greatest importance. It is absolutely necessary, if the Church is to have an intelligent knowledge of the condition of this fund. We further suggest that each preacher appoint a committee, of which he shall be *ex officio* a member, on the Twentieth Century Movement, whose duty it shall be to canvass the Church and community in the interest of this fund.

The following is Brother Odell's report of the financial status of this fund, the adoption of which we recommend:

PUBLIC SCHOOLS.

We reaffirm our interest in popular education, and believe that our public schools should be enlarged, and strengthened as rapidly as possible. We therefore respectfully petition our next General Assembly to make a special appropriation of not less than \$200,000.00 for this purpose, and we request the Secretary of the Conference to present this action to that body.

REPORT 2.

The officers of the Conference Board of Church Extension, to whom the report of said Board has been referred for revision, if necessary, respectfully submit that after a careful examination of the rules regulating applications coming before the Board seeking aid, and conscientiously weighing all the facts and conditions upon which donations were granted, as well as those which were left out, we therefore consider, in justice to the cause of Church Extension, that no revision or change of the report should be made.

REPORT OF SUNDAY SCHOOL BOARD.

We find 717 Sunday Schools in our Conference, an increase of 6 over last year, with 56,315 members, an increase of 3,073.

We are glad to note that the Sunday Schools are taking an active

part in the Missionary work of the Conference, having raised \$2,115.52 this year for that cause. We believe that the Sunday School may become a mighty power in pushing forward this, the greatest work of the Church, and urge all pastors to see to it that their Sunday Schools become active Missionary Societies, as required by the Discipline. We recommend that the Conference require the preachers, in making their annual reports, to state the number of Sunday Schools acting as Missionary Societies, the Joint Board of Finance arranging blanks accordingly.

We most heartily endorse the plan of our wise Sunday School editor in establishing the "Bible Teachers' Study Circle," and urge all our pastors to co-operate in this work by organizing such circles. As a further means of better preparation for our teachers, we recommend that there be held, during the coming year, three Sunday School Teachers' Institutes, so distributed throughout the Conference as to be most accessible to our teachers, the Sunday School Board providing for such Institutes and securing, if possible, the aid of Professor Hamill in conducting them.

The Board appoints J. H. West, Ira Erwin, H. C. Sprinkle, J. T. Patterson, Dr. J. M. Turner and M. W. White as its representatives to attend the Mid-year Missionary Meeting, in accord with the plans of said meeting.

We recommend the appointment of Rev. J. A. Baldwin as Sunday School Secretary.

D. B. COLTRANE,
Secretary.

C. H. IRELAND,
Chairman.

REPORT OF THE STANDING COMMITTEE ON EPWORTH LEAGUES.

There are 78 Leagues and 3,042 members in the W. N. C. Conference.

We are gratified that prominence was given the Epworth League work in the District Conference. We most heartily commend this, and recommend that a Secretary from each district be appointed by the Conference League Chairman, after consultation with the several Presiding Elders, to assist the Presiding Elders in preparing a suitable programme for the Epworth League services at the District Conferences, and to assist in working up the League interests in the districts.

The Fifth International Epworth League Conference, at San Francisco, was a great success, and it is no longer to be doubted that the Epworth League is a permanent institution of our Church. Therefore, we most earnestly urge the formation and fostering of Leagues in all our pastoral charges.

We note with pleasure the growth in the general membership of the League and the increased circulation of the *Epworth Era*.

The following are appointed delegates to the Mid-year Missionary Meeting: C. F. Sherrill, W. H. Willis, J. H. Brendle, A. L. Stanford, Geo. L. Hackney and W. F. Wood.

We recommend the *Epworth Era*, the *Epworth News*, and the *Reading Course*.

The Board calls the attention of the Conference to the following publications: (1) *The Review of Missions*, an able and well-filled periodical; (2) *"Missionary Issues of the Twentieth Century,"* containing reports of New Orleans Conference; (3) *"Go Forward."* This last-named is the latest publication of our Board of Missions. The price is such that every family can take it, and we urge the preachers to strive to put this paper in every family. We heartily commend all these publications to our people, and feel that in the wide circulation of these periodicals we shall solve the gravest of our Mission problems.

The Board notes with pleasure the presence of Dr. W. R. Lambuth, one of the Secretaries of the present Board, and also the presence in this Conference of Miss Mary Helm and Mrs. M. J. Branner, representatives of the Woman's Home Mission Society, and we urge our preachers to organize auxiliaries in our churches.

The Board requests the appointment of Rev. W. L. Grissom as Field Secretary, and requests the Presiding Elders and pastors to secure his services wherever needed.

The Board has appointed as a Special Committee on Missions the following: W. R. Ware, C. F. Sherrill, W. M. Curtis, J. E. Gay and C. H. Ireland.

The Board directs that a mid-year meeting be held sometime in February, date and place to be decided later, and appoint from this Board the following as members of the mid-year meeting: Frank Siler, C. F. Sherrill, J. E. Gay, C. W. Tillett, Z. T. Bynum and J. C. Smith.

The Board is gratified with the increase in collections for Missions this year, amounting to \$1,337.78 over last, and believes that it will be possible to raise, the coming year, the assessments in full.

The sum of \$8,000.00 has been assessed for Domestic Missions, and \$14,000.00 for Foreign Missions, which amounts have been apportioned by Joint Board of Finance.

Respectfully,
J. E. GAY,
Secretary.

REPORT OF SPECIAL COMMITTEE ON MISSIONS.

Your Committee respectfully report:

That the Mid-Year Meeting ordered by the last Annual Conference was held at Hickory during the month of January. The attendance was good, and much enthusiasm was manifested. Secretaries were appointed for each District to cooperate with the Presiding Elders in the inauguration and the carrying out of such plans as would secure in full the assessments for missions. A good deal of special work was done in several of the Districts, and your committee is glad to be able to report that four Districts have paid out in full, and two have considerable surplus.

We recommend that, in accordance with a resolution passed at Hickory, the Mid-Year Meeting be made permanent, and be constituted as follows: The Presiding Elders (provided that in case any Presiding Elder finds that he can not attend, he may appoint a preacher from his District as his substitute), one Secretary from each District, to be appointed by the Special Committee on Missions after consultation with the Presiding Elder; and three preachers and three laymen from each of the following bodies; the Board of Missions, the Sunday School Board, and the Epworth League Committee.

When we remember that four Districts have paid the assessment for missions in full this year, and that there has been an increase in the amount raised in the Conference, it is the conviction of your Committee that our Conference can and should pay in full its assessment of \$14,000.00 for Foreign Missions, and \$8,000.00 for Home Missions during the year 1902.

W. M. CURTIS,
Chairman.

REPORT ON CHURCH PROPERTY.

Your Committee on Church Property begs leave to report as follows:

Number of churches	720½
Decrease	4½
Value of church property	\$958,316.00
Increase	67,070.10
Indebtedness on churches	60,774.05
Increase	21,267.03
Number of parsonages	144
Increase	11
Value of parsonages	172,925.00
Increase	15,305.00
Indebtedness on parsonages	15,319.00
Increase	3,438.90
Number of District parsonages	5
Value District parsonages	8,900.00
Insurance on churches and parsonages	182,300.00
Increase on churches and parsonages	10,200.00
Amount of premiums paid	1,119.50
Losses sustained	130.00
Collections on same	190.41
Money expended on churches and parsonages	27,563.08
All other church property	72,071.00
Decrease	32,358.00

We again urge that all our churches and parsonages be insured in some good reliable company.

We recommend that Presiding Elders be required to file a written report at the Annual Conferences, of all District property, for the information of the Committee on Church Property.

We learn from other sources that the discrepancy in the number of churches is due to there being no report from the Sparta Circuit, and a decrease of one and one-half churches on the Ivy Circuit.

Respectfully submitted,

H. H. JORDAN,

Secretary.

T. J. ROGERS,

Chairman.

REPORT ON TEMPERANCE.

The Committee on Temperance begs leave to submit the following report:

WHEREAS, The manufacture, sale and use of intoxicating spirits as a beverage is one of the greatest evils of our day; and,

WHEREAS, We as a Church are uncompromisingly committed to its suppression; and

WHEREAS, We heartily join with all agencies organized for the extermination of this monster curse; therefore be it

Resolved, That we urge upon our pastors and people a conscientious observance, and firm enforcement of our laws against drinking and drunkenness.

Resolved 2d. That we endorse the great work that is being done by the Anti-Saloon League of America.

Resolved 3d. That we heartily commend General Miles and others for their earnest efforts to uphold and make effective the anti-canteen law.

Resolved 4th. That we recommend that before the meeting of our next Annual Conference a petition be circulated in all congregations looking to the incorporation of all our churches and school-houses not incorporated, prohibiting both the manufacture and sale of intoxicating liquors within three miles of said churches and school-houses.

Resolved 5th. That we ask the North Carolina Conference to take the same action.

Resolved 6th. That Dr. L. W. Crawford be appointed delegate, and Rev. W. L. Grissom alternate delegate, to the Sixth National Anti-Saloon Convention, to convene at Washington, D. C., December 2 to 5, 1901.

J. W. CLEGG,

Secretary.

G. G. HARLEY,

Chairman.

And for the *Supernumerary Relation*: Latta H. Triplett, R. S. Abernethy, A. G. Gantt, T. W. Smith and P. L. Groome; and that James Willson be not granted this relation.

J. B. CARPENTER.

J. B. CARPENTER,

DISTRICT CONFERENCE RECORDS.

The committee finds all the records sufficiently well kept to preserve the history of the proceedings. Several records, however, could well be improved upon.

The Asheville District Record is a model of neatness and correctness.

The Charlotte Record is correctly kept. The omission of periods at the end of sentences is conspicuous.

The Franklin Record is in every way a model.

The Morganton Record is well kept.

In the Mt. Airy Record abbreviations are used where the whole word should be written. Capitalization very faulty. We wish to call special attention to the book used by the Mt. Airy District. A cheap, double-entry ledger, with eleven red lines up and down the page. It is the opinion of your committee that such a book should

never be used for this purpose, especially when Record books can be had at small cost. We are recording history, and it should be done correctly and in the proper kind of book. This Record should be copied into a proper Record book and the present book discarded.

The Salisbury Record, so far as general form is concerned, is exceedingly good; however, improvement could be made in punctuation and capitalization.

The mechanical get-up of the Shelby Record is not good, but the Record is correct.

In the Statesville Record the spelling is faulty, and in some instances the construction of sentences is poor. The Report of the Committee on Quarterly Conference Records is referred to, but not recorded.

The Waynesville Record is kept in a beautiful style.

The Winston Record omits the marginal index, and the days of the Conference are not named at the top of the pages of the Minute book. Otherwise the Record is neatly and correctly kept.

The Greensboro Record was not in the hands of the committee.

We recommend that the Presiding Elders see to it that the Secretaries of the respective District Conferences observe Bishop McTyeire's instructions to Secretaries, as found in the Manual of Discipline.

Respectfully submitted,

(Signed)

E. L. BAIN, *Chairman.*

GEO. F. KIRBY, *Secretary.*

BIBLE CAUSE.

Your committee is gratified to learn from our agent that the American Bible Society is in a flourishing condition, in comparison with last year. The income of the Society has been decidedly larger this year than for several years past, both in contributions and bequests. The Society is now publishing the Bible in more than 400 languages, and has, during this year, published in whole and in part more than one and a half million copies of the Word, and distributed nearly one-third of that number in foreign fields, 98 per cent of which were sold, and this was done in the face of the fact that we were largely shut out of China. We believe that God has no greater agency in saving the world. It is the revealed will of God to man, and is the only book of authority upon divine things. We rejoice with all the Church of God in the great work that has been and is still being done by the American Bible Society. But by reference to our published reports of last year, we find that 7 of our pastoral charges reported no collection for this worthy cause, and that we, as a Conference, paid less than \$400.00 to this great enterprise.

Therefore, be it resolved, That we urge our preachers to read paragraph 133 of our Book of Discipline, which clearly makes it the duty of every pastor to present the claims of the American Bible Society to every congregation of his charge at least once a year.

(Signed)

C. C. THOMPSON, *Chairman.*

M. H. HOYLE, *Secretary.*

BOOKS AND PERIODICALS.

We respectfully submit the following:

We are pleased to have with us at the Conference Doctors Barbee, Hoss, Lambuth and Atkins, representatives of our publishing interests, and are gratified at the success which has been attained. We have in the *Methodist Review* a magazine of very high order, and not only should every preacher in the Conference read this, the highest type of literature, emanating from our press, but that hundreds of our laymen should subscribe for and read it.

The *Christian Advocate*, the *Epworth Era*, the *Review of Missions*, the *Magazine*, and other periodicals from the Sunday School department, maintain their high standard of excellence, and are worthy of our great Church.

We are gratified to learn of the increasing circulation of the *Epworth Era*, and would especially emphasize the importance of getting all our League members to read this well-edited paper. There is no reason why the parents in any Methodist home should place the *Youth's Companion* before their children to the exclusion of the *Epworth Era*, but many reasons why the latter should be taken in preference to any other young people's paper by the Methodists in our Conference.

The *North Carolina Christian Advocate*, the organ of our Conference, is filled with pure and excellent reading matter, and should go into all the homes of our people. We are unable to submit a financial statement and exhibit of the year's earnings for the first year the Conference has owned a majority of the stock.

Dr. L. W. Crawford, the editor, informs the committee that he had been instructed by the Directors, according to contract, to pay over to the Treasurer of the Joint Board of Finance a sum equal to six per cent on the capital invested by the Conference in the enterprise. He also informs the committee that under the charter or by-laws of the company, such reports are made only at the annual stockholders' meeting in January. There are about four thousand paying subscribers on the mailing lists, besides the papers which go to the exchanges and to the pastors.

Dr. Crawford has sold his 44 shares of stock to D. B. Coltrane, and Brother Coltrane is ready to sell the stock to the Conference without profit, if desired. We think it would be wise to purchase the 44 shares he holds for the sum of \$3,000.00. Dr. Crawford has notified the committee that he does not desire re-election as editor.

The committee recommend the appointment of a publication committee, to hold for five years, the said committee to consist of J. R. Scroggs, Frank Siler, D. B. Coltrane, James Buttrick and Dred Peacock. This committee to have power to nominate the editor, subject to confirmation by the Conference, and in case of a vacancy by death or otherwise the committee to fill the vacancy until the next Conference, and to have the financial management of the company, rendering a financial statement to each annual Conference.

We learn that a hand-book of North Carolina Methodism is being prepared by Dr. T. N. Ivey, of the North Carolina Conference. It will be a compendium of information, touching our Church in all parts of the State, giving a view of her past history and present status. We heartily commend the enterprise, and trust that the publication will find a wide circulation.

SUPPLEMENT TO REPORT OF COMMITTEE ON BOOKS AND PERIODICALS.

We appreciate the important interests for which a Church organ stands and the many good results realized from our *Advocate*. We note with pleasure many features of excellence in our *Advocate*, as compared with the other members of the *Advocate* family.

We pray God's blessing upon Dr. L. W. Crawford, the retiring editor, and upon Rev. H. M. Blair, his successor, in all the good work they may do to advance the interests of our Church.

(Signed) S. B. TURRENTINE, *Chairman*.
N. R. RICHARDSON, *Secretary*.

COMMITTEE ON MEMORIALS TO THE GENERAL CONFERENCE.

The committee recommends the following:

1. That the Order of Deaconess be established.
2. That the boundary line of the Western North Carolina Conference be changed so as to include all that part of the State of North Carolina lying west of the North Carolina Conference, except that portion of the State of North Carolina lying north of New River, and including that part of the State of Virginia lying south of said river in the loop in Grayson County, Virginia.
3. That provision be made for the installation of Stewards, to be administered by the preacher in charge at first opportunity after annual Conference.
4. To drop questions 1 and 2, in paragraph 86, and allow the business indicated in them to come under the head of Miscellaneous Business.
5. To amend our Book of Discipline so as in every place to designate our fields of labor as pastoral charges.
6. That District Conference be given entire jurisdiction of the local ministry.
7. That the following changes be made in chapter 2, section 2, page 34, of the Discipline:
Substitute question 2 with the words, "Who are in the class of the 2d year?"
Substitute question 7 with the words, "Who are in the class of the 3d year?"
Insert between questions 11 and 12 the words, "Who are in the class of the 4th year?"
8. That the Parent Board of Church Extension be empowered to insure our Church property.

(Signed) R. M. HOYLE, *Chairman*.
D. M. LITAKER, *Secretary*.
